Drift and Equilibrium Selection with Human and Virtual Players

Roberto Burlando - Mauro Caminati - Alessandro Innocenti - Roberto Ricciuti

Discussant: Anna Maffioletti

17.00 - 18.00 Session 7. Social Preferences

Transfers and Altruistic Punishments in Third Party Punishment Game Experiments

Stefania Ottone

Social preferences in relational contexts

Francesca Marzo - Ya'akov Gal - Barbara Grosz - Avrom Pfeffer

Discussant: Luigi Luini

Participants and their affiliations:

Angela Ambrosino - Università del Piemonte Orientale

Michele Bernasconi - Università dell'Insubria

Luigi Bosco - Università di Siena

Mauro Caminati - Università di Siena and LabSi

Rosaria Conte - Università di Siena and CNR, Roma

Carmela Di Mauro - Università di Catania

Antonio Filippin - Università di Milano and IZA

Roberto Galbiati - Università di Siena

Alessandro Innocenti - Università di Siena and LabSi

Gianna LoTito - Università del Piemonte Orientale

Luigi Luini - Università di Siena and LabSi

Anna Maffioletti - Università del Piemonte Orientale

Francesca Marzo - Harvard University and LabSi

Luigi Mittone - Università di Trento

Marco Novarese - Università del Piemonte Orientale

Guido Ortona - Università del Piemonte Orientale

Andreas Ortmann - Center for Economic Research & Graduate Education, Charles University Economics Institute, Academy of Sciences of the Czech Republic

Stefania Ottone - Università del Piemonte Orientale

Maria Grazia Pazienza - Università di Firenze

Roberto Ricciuti - Università di Siena, Icer and LabSi

Patrizia Sbriglia - Università di Napoli

Sigrid Suetens - University of Antwerp

Pietro Vertova - Università di Siena
